Safety Advice and Usage Instructions for 20cm Infinity Light USB Various design

Box Contents

1 x Infinity Light 20cm
1 x USB lead 1.8m

Instructions

1. Remove the light-set from the package and unroll the garland before use.
2. Please do not connect this light set to a power source while it is still in the box.
3. This light-set can only be powered via a USB power source.
4. The USB power source is suitable for indoor use only.
5. Ensure that the USB power source matches the specified voltage and current.
6. The lamps are not replaceable.
7. Do not connect this light set electrically to another one.
8. The power cord of the light-set cannot be replaced; where breakage or damage to the cord occurs, the light-set must not be used/energized but disposed of safely.
9. Avoid any damage to the insulation of the wiring.
10. Waste electrical products should not be disposed of with household waste. Check with your local authority or retailer for recycling advice.

Please keep all the relevant information for future reference!

Care and use:

Clean with a dry cloth.

Always store in dry conditions.

Warnings

Keep away from children & pets.

Keep away from all sources of heat

Do not operate this item whilst still in the packaging.

The LED lamps are not replaceable.

Please be careful not to leave a trip hazard with the lead.

This set is for indoor use only

This Symbol indicates that this product is covered by legislation for waste electrical electronic products. When the product has reached the end of its life, please do not dispose of it with general household waste. Consider the environment and take it to a recognised recycling facility.
