Assembly and Usage Instructions for P058146 60cm Infinity Santa in Sleigh with Reindeer

Box Contents:

1 x Infinity light 1x mounting base 1 x Transformer

Assembly instructions.

Remove the Infinity light out of the packaging, taking care not to damage the item.

1. Remove the protective film covering the Infinity light.
2. Due to product construction, the foam is compressible so You can squeeze the mirrors together at one end / corner (it will not damage) and put the one compressed corner into the base on an angle.
3. Slide the Infinity light fully onto the base.
4. Place the Infinity light in your desired location.

Plug the transformer into the wall socket and switch on at the socket, the light will come on.

To turn the lights off, switch off at the wall socket.

How to operate:

This item is supplied with a timer function.

To Turn the timer on press the clear button allocated on the transformer.

The green light will indicate that the timer function is on

The lights will stay LIT for 6 hours and then switch itself off and remain off for next 18 hours

To switch the timer, function off, press the clear button once. This will also switch the Infinity light off.

Care and use:

Clean with a dry cloth.

Always store in dry conditions.

Remove the base and store flat when not in use.

For indoor use only.
