Instruction manual for LIT Microdot Branche P061513

These instructions are for your safety.

Please read them thoroughly before use and retain for future reference.

No tools required for assembly.

Box contents

1 x branch light
1 x Transformer.

Before You Start

- Decide on an appropriate location for your product (see positioning instructions below).
- Remove all packaging and dispose of safely out of the reach of children & animals.
- Check the light set before use for any loose or damaged wiring. If in any doubt do not use.

Positioning Instructions

- 1) Please refer to the cable label affixed to the product to establish its positioning suitability.
- 2) Do not position or place near heaters or any other direct sources of heat.

WARNINGS

It is very important that this product is NEVER DIRECTLY connected to the mains supply without the supplied transformer.

Keep away from children & pets.

Do not operate this item whilst still in the packaging.

The LED lamps are not replaceable.

The transformer is suitable for indoor use ONLY.

Do not try to connect this set electrically to another set.

If there is any damage or breakage to the electric wire, please dispose of safely.

Ensure that cables are fully unwound and sited where they will not become damaged or present a tripping hazard.

Do not secure the wiring of this product with staples or nails.

Do not close doors or windows on the product, as this may damage the wiring insulation.
